Professor Harshbarger, head of the mathematical department of Washburn college and a man versed in all matters relating to Mother Nature and her arts, is authority for the statement that the Washburn driveways will be macadamized some time soon. The professor doesn't believe in pavement for a college campus.

for a college campus. Strange, perhaps, but there were no riots or hurryup calls for the police when the news reached Topeka that Canada had ditched the reciprocity treaty. Aside from a half dozen local statesmen, the general populace did very little "viewing with alarm." Clarges Scott however, were a proad smile. ence Scott, however, wore a broad smile all day. He is an unregenerate Cana-

WHOSE TEAM IS THIS?

morning.

A canvass of the livery barns failed to find the owner of the rig and as no report has come to the station of the loss, the turnout is supposed to be from out of town. Kilmaurs Kins, humane officer, was notified of the team and also that a drunken colored man had spent the night on the porch of a residence at 1700 Boles avenue. This man disappeared about 6 o'clock this morning. No report of his condition was made to the police, but they are coupling him with the neglected team.

are coupling him with the neglected team.

The officers also have the theory that some robber hired the two-seated rig to avoid suspicion in some nearby town and drove it to Topeka. Further, they say that the unclaimed outfit may have been used in some way by college students in connection with the class fight of last night.

Cheap Lumber. Consider your own interests by get-ting an estimate from J. Thomas Lum-ber Co. before letting your contract. Good grades and full count.

NORTH SIDE NEWS

Miss Edith Gabriel Receives High Musical Honors.

Chosen to Take Artist's Course at Kansas University.

REV. ARCHIBALDHERE?

Planning to Make Topeka His Headquarters.

Second Presbyterian Bible Class Establish Mission Room.

A North side girl has received musical honors, She is Miss Edith Cabriel, daughter of Mr. and Mrs. D. T. Gahriel. She has been taking the fine arts course at K. U., Lawrence, and has been selected with three others to take what is known as the artist's course this year. This means that she is one of the best pianists in her class, as only four of the best out of the class are admitted into the artist class at the university. ne university. Miss Gabriel is in her third year at

Miss Gabriel is in her third year at the school. Previously she has always shown a decided talent for music and has been planist at the North Side Baptist church and also at the Central Averue Christian church for several years, playing at the two different churches from time to time. She has a wonderful command of the planoforte and with her technique combines a sympathy and understanding of melody which shows that music is in her soul.

Rev. William E. Archibald, D. D. dinancial secretary of the College of Emporia, who spoke in the Second Presbyterian church last Sunday morning on the subject. "The Denomina Presbyterian church last Sunday morning on the subject. "The Denominational College as a Training School for Christian Leaders," was for many years pastor of the Second church, going from here to East St. Louis where he did successful work. He has just returned with his wife from an European trip, and is planning to make his headquarters in Topeka.
